

SPONSORSHIP OPPORTUNITIES

February 27, 2026

**NATIONAL INDIGENOUS
DEFENCE CONFERENCE**

Presented by OneHoop
and Department of National Defence

HELLO, BONJOUR, TANSI.

OneHoop and the Department of National Defence are proud to present National Indigenous Defence Conference (NIDC) 2026, taking place on February 27th, 2026 at the Westin Ottawa in our beautiful capital city of Ottawa, Ontario.

This year's theme, "Honouring the Past, Shaping the Future", centres on honouring the bravery, courage, and valor of Indigenous and non-Indigenous veterans while envisioning a future where our collective strength contribute to the liberty and security of all Canadians. The itinerary of NIDC 2026 reflects our continued aspirations to build the strength and unity of the Department of National Defence and the Canadian Armed Forces, and reinforce Canada's commitment to Reconciliation with Indigenous peoples, communities and businesses.

We are extending an opportunity for organizations to sponsor this year's conference and demonstrate their leadership and support for reconciliation within the defence sector. Sponsorship offers a unique platform for your organization to be prominently recognized among key stakeholders, including conference attendees, government representatives, Indigenous leaders, and defence personnel. Our sponsorship levels are designed to align with your organization's values and goals, providing visibility across all aspects of the conference. Your organization's sponsorship will play a critical role in enhancing NIDC's impact and supporting Canadians toward realizing tangible, positive outcomes.

Thank You, Merci, Kinanâskomitin

WHY SPONSOR NIDC?

As a sponsor, you and your organization make a commitment toward advancing Reconciliation within the Defence sector. Your commitment to sponsor NIDC provides access to a network of Indigenous and non-Indigenous professionals who share this commitment.

NIDC 2026 will address:

- The importance of the historic relationship between Indigenous Peoples and Canada (in the context of national defence).
- Integration of Indigenous capabilities and knowledge into approaches to defence and security.
- Building and reinforcing defence across Canada, including Northern and Arctic security.
- Strengthening relationships between Indigenous businesses and communities and Canada.

NIDC 2026 topics include:

- Strategic investment and procurement into Indigenous partners in defence and supporting sectors.
- Discussions on provincial, territorial, and federal policy adjustments, frameworks, and revisions.
- Capacity building within Canadian and Indigenous government departments and structures.
- Development of sustainable partnerships between Indigenous businesses, communities, and entrepreneurs.
